Ok. I will let my management know that R3 may not be calling in if the item is listed on agenda for 7/16.

I'm don't know that I'm comfortable being on the weekly AA call if I don't even know what my management is asking of me. Until I do, I won't have anything to add to the discussion so you may need to go that one alone, Sushila.

Thanks,

pl

Ok, but a couple of things.

1. Should we do a check in Wed 7/15 in the pm – last week either Pam or Steve, cannot

Ex. 5 Deliberative Process (DP)

2. I just briefly spoke to Alex, and she is going to suggest some times either for wed or Tues to reschedule today's call.
3. As of right now, this item could well be included on the agenda for our weekly meeting with Assistant Administrator Bodine, Thurs 7/16, which takes place 3-4:30 EST. I am resending the call in information that I sent to Steve and Pam last week on July 8. I'll keep you all posted on whether for sure this item makes it onto the agenda for 7/16.

[OCE Weekly w/AA/DAA/PDAA Thurs 7/16/20 3-4:30 est].

Again, folks in the Region I ask that you share with whomever from the Region ORC and WPD you think should join the call.

I hope this makes sense -- Sushila

Hi Everyone,

Is the letter in final form or is it subject to further edits at EPA? If there will be further revisions at EPA, please send me the finalized version of the letter for review when it is available.

Thanks,
Alex

Thanks Steve for sending us the red-line.

I do not have any comments. It sounds like from our conversation earlier today 7/8 Wed that this draft could change after Karen and Jen review it.

If possibly please send us any additional drafts.

I will keep my eyes open for the final draft as well.

Thanks, Sushila
